COMMISSIONER HUNT

BRISBANE, 23 FEBRUARY 2021

*Application for approval of the Queensland Lutheran Schools Single Enterprise Agreement 2020.*

[1] Lutheran Church of Australia Queensland District T/A Lutheran Education Queensland (the Applicant) has applied for approval of an enterprise agreement known as the *Queensland Lutheran Schools Single Enterprise Agreement 2020* (the Agreement). The application was made pursuant to s.185 of the *Fair Work Act 2009* (the Act). The Agreement is a single-enterprise agreement.

[2] The Agreement covers 25 Lutheran primary school and colleges where the employer is the Lutheran Church of Australia Queensland District (LCADQ), together with one Lutheran primary school where the employer is the Peace Lutheran Church Gatton, trading as Peace Lutheran Primary School (collectively the Employers). The Employers obtained a single interest employer authorisation from the Fair Work Commission (the Commission) pursuant to s.249 of the Act relevant to this Agreement on 18 September 2019, [PR712453], and as varied by me on 16 February 2021, [PR727033].

[3] The Fair Work Commission (the Commission) raised certain concerns regarding the Agreement with the Employers, and as a result, the Employers have provided written undertakings. A copy of the undertakings is attached at Annexure A. Pursuant to s.190(4) of the Act, I sought the views of the Queensland Nurses and Midwives' Union (the QNMU), the Independent Education Union of Australia (the IEUA) and Transport Workers' Union of Australia (the TWU) regarding the undertakings, allowing a certain period from receipt of the undertakings to provide any views. I did not receive any correspondence to my chambers regarding the undertakings.

[4] I am satisfied that the undertakings will not cause financial detriment to any employee covered by the Agreement and that the undertakings will not result in substantial changes to

the Agreement. Pursuant to s.190 of the Act, I accept the undertakings. In accordance with s.201(3) of the Act, I note that the undertakings are taken to be a term of the Agreement.

[5] I have taken into consideration the material filed in the Commission. Subject to the undertakings referred to above, I am satisfied that each of the requirements of ss.186, 187, 188 and 190 as are relevant to this application for approval have been met. The Agreement does not cover all of the employees of the Employers, however, taking into account s.186(3) and (3A) I am satisfied that the group of employees was fairly chosen.

[6] The QNMU, the IEUA and the TWU have given notice under s.183 of the Act that they want the Agreement to cover them. In accordance with s.201(2) of the Act I note that the Agreement covers the QNMU, the IEUA and the TWU.

[7] The Agreement is approved and, in accordance with s.54 of the Act, will operate from 2 March 2021. The nominal expiry date of the Agreement is 30 June 2023.

  - (ii) Public holiday rates of 250% of the minimum hourly rate for ordinary hours worked will be paid for hours worked on a public holiday, unless the employer and the employee have agreed to the employee taking time off instead of payment, in which case the employee will be paid the minimum hourly rate for work on the public holiday. An employee and employer may agree to substitute a day or part of a day for a public holiday.
  - (iii) Shiftwork rates of 115% will apply for afternoon/night shift, noting that penalty rates for shiftwork, weekend and overtime are not cumulative and where more than one penalty or overtime rate may apply, the employee will be entitled to the highest single penalty.

Noting that penalty rates for afternoon/night shifts, evening, weekend (Saturday and Sunday) work and overtime are not cumulative and where more than one penalty or overtime rate may apply, the employee will be entitled to the highest single penalty,
- (l) As an alternative to payment of overtime for employees engaged under Schedule 14 of the Agreement (Boarding Schools Supervision Staff) whose hours are not averaged and Building and Construction Classification employees:
- (a) An employee and school may agree in writing to the employee taking time off instead of being paid for a particular amount of overtime that has been worked by the employee.*

  - (c) An agreement must state each of the following:*
    - (i) the number of overtime hours to which it applies and when those hours were worked;*
    - (ii) that the school and employee agree that the employee may take time off instead of being paid for the overtime;*
    - (iii) that, if the employee requests at any time, the school must pay the employee, for overtime covered by the agreement but not taken as time off, at the overtime rate applicable to the overtime when worked;*
    - (iv) that any payment mentioned in this clause must be made in the next pay period following the request.*

*(h) The school must keep a copy of any agreement under this clause as an employee record.*

*(i) A school must not exert undue influence or undue pressure on an employee in relation to a decision by the employee to make, or not make, an agreement to take time off instead of payment for overtime.*

*(j) An employee may, under section 65 of the FW Act, request to take time off, at a time or times specified in the request or to be subsequently agreed by the school and the employee, instead of being paid for overtime worked by the employee. If the school agrees to the request then this clause will apply, including the requirement for separate written agreements under clause (b) for overtime that has been worked.*

*(k) If, on the termination of the employee's employment, time off for overtime worked by the employee to which this clause applies has not been taken, the school must pay the employee for the overtime at the overtime rate applicable to the overtime when worked.*

- (m) all casual employees (excluding casual teachers) who work overtime hours as set out in the Agreement will be paid the applicable casual hourly rate (inclusive of 25% loading) plus the applicable overtime rate.

- (g) The Fair Work Commission may deal with the dispute in 2 stages:
  - (i) The Fair Work Commission will first attempt to resolve the dispute as it considers appropriate, including by mediation, conciliation, expressing an opinion or making a recommendation. All parties shall give due consideration to matters raised or any suggestion or recommendation made by the Fair Work Commission with a view to the prompt settlement of the dispute; and
  - (ii) If the Fair Work Commission is unable to resolve the dispute at the first stage, the Fair Work Commission may arbitrate the dispute.
- (h) In dealing with the dispute under clause 8.1(g), the Fair Work Commission may use the powers that are available to it under the Fair Work Act.
- (i) While all of the above procedure is being followed, normal work shall continue except in the case of a genuine safety issue.
- (j) Except in the case of termination, the status quo existing before the emergence of the grievance or dispute is to continue while the above procedure is being followed.
- (k) For the avoidance of doubt, any order of the Fair Work Commission (subject to the parties right of appeal under the Fair Work Act) will be final and binding on the parties to the dispute.
- (l) Discussions at any stage of the procedure shall not be unreasonably delayed by any party, subject to acceptance that some matters may be of such complexity or importance that it may take a reasonable period of time for the appropriate response to be made. If genuine discussions are unreasonably delayed or hindered, it shall be open to any party to refer the dispute to the Fair Work Commission.

# Schedule 4 – Positions of Added Responsibility

## 1. Coverage

- (a) This schedule shall apply to all teachers appointed to Positions of Added Responsibility (**PAR**) up to but not including Deputy Principal and other Senior Administration roles in schools conducted by Employing Authorities which are party to this Agreement.
- (b) This schedule provides Positions of Added Responsibility in Lutheran schools that:
  - Assure quality learning for students;
  - Provide a satisfactory career path for teachers;
  - Maintain quality management and accountability;
  - Contribute positively to the Christian ethos of the school;
  - Are determined in a fair manner;
  - Receive adequate time to carry out the role; and
  - Receive just remuneration.
- (c) This schedule prescribes conditions of employment for PARs in each school covered by the Agreement. A detailed schedule of the PAR unit points shall be set out for each school in the School Profile (**SP**) that shall include the distribution of PAR points on a secondary curricular, secondary pastoral, and primary basis. In addition, the schedule will contain phasing-in arrangements where these have been negotiated.

## 2. Existing Contractual Arrangements

- (a) A person currently employed in a PAR which continues to exist, shall be appointed to that position on the terms included in this Schedule. However, where an existing PAR has been appointed for a period longer than that identified in clause 9(c) the employee will continue to be appointed for that longer period.
- (b) A person employed with assured permanency in a PAR that continues to exist shall be eligible to continue in that position on the same basis as the previous employment, i.e. permanency is assured. Where a school initiates a restructure of PAR positions and provided that the employee shall be remunerated within the terms of this Schedule, the employer may request and the employee may agree that a new contractual arrangement may be entered into as to continued tenure in the position, i.e. the parties may agree to adjust the permanency into fixed term arrangements.

## 3. School Profile

The School Profile shall include details in respect to the distribution of PAR points of the school. It shall be developed to meet the minimum levels indicated in clause 6 of this Schedule. The Principal has the final decision concerning the distribution of PAR points within the school consistent with the requirements and obligations set out in this Agreement.

## 4. Consultation

Clause 6.3 of this Agreement recognises the importance of consultation in enhancing planning, preventing disputes and improving employee morale. This principle has equal relevance in all aspects of school life including PAR. In light of this, it is recommended that schools include key stakeholders in any consultative processes or structures relating to PAR's.

## 5. Definitions

- (a) **Positions of Added Responsibility:** A PAR is defined as the appointment of a teacher within the school designated to provide support to the Principal in the overall management of the school specifically in the areas of curriculum, pastoral care and other administrative responsibilities. PARs can exist at the secondary, primary or middle years of schooling or from P-12 but do not include Senior Administration roles.
- (b) **Secondary Curricular Leaders** (e.g. Head of Department, Subject Coordinator etc.): These employees will have responsibilities relating to the leadership and management of all duties, programs, teaching staff and activities associated with a subject/KLA/faculty.
- (c) **Secondary Pastoral Leaders** (e.g. Year Level Coordinator, House Leader etc.): These employees will have responsibilities relating to the leadership and management of pastoral duties, behaviour management, teaching staff and activities associated with the climate of Christian care afforded students in the secondary school. This is traditionally a role at the secondary level only as students are no longer with one or two main teachers for the majority of each day, hence the need for additional structures to monitor and support their progress.
- (d) **Secondary:** Secondary is defined as years 7-12.
- (e) **Primary:** Primary is defined as years P-6.
- (f) **Middle School:** In schools with a designated Middle School section or campus, the organisation of PARs shall be tailored to fit the philosophy and organization of those individual schools.
- (g) **Senior Administration Roles:** As individual schools determine their own senior leadership structures, the classification of positions as Senior Administration roles is determined by the Principal in each school.

## 6. Allocation of PAR Points

- (a) The following table outlines the minimum points available commensurate with school enrolments for the provision of both allowance payments and release time for Positions of Added Responsibility in schools.

School Classification	Minimum number of PAR Points required
Primary	1 Point for every 20 students (for schools with primary sections of >200 students)
Middle School	Secondary and Primary Points are allocated on a pro-rata basis
Secondary – enrolments <200	1 Point for every 15 students
Secondary – enrolments 200-299	1 Point for every 10 students (at least 20% to be allocated to Pastoral positions)
Secondary – enrolments 300-399	1 Point for every 8 students (at least 20% to be allocated to Pastoral positions)
Secondary – enrolments ≥ 400	1 Point for every 6 students (at least 20% of the Secondary PAR Points must be allocated to Pastoral positions)

- (b) Enrolment levels for the purpose of allocation of minimum PAR points at the school level shall be those taken from the August Commonwealth School Census in the year prior to the operating year.
- (c) The number of PAR points allocated in accordance with this clause will be in addition to any Senior Administration Roles which may be appointed pursuant to clause 5(g).
- (d) Schools with both Primary and Secondary enrolments (e.g. P-12 Colleges) must add the minimum points for both sections identified in the above table to arrive at the total minimum PAR points for the school.

## 7. Remuneration and Release Time

- (a) For the purpose of determining the appropriate release time for all PARs, ONE (1) PAR POINT is equivalent to:
- 45 ± 5 minutes per week (3.75% of 20 hours) in Release Time, consistent with lesson length.
- (b) Time release may be accumulated and offered as an equivalent number of days/year where schools in certain circumstances (e.g. rural or remote) would have difficulty in finding short-term coverage for classes each week and where employee/employer agreement is reached.
- (c) PARs receive their teacher classification salary and appropriate allowance up to Proficient 6 as outlined in Schedule 2. All PARs who sit at Proficient 7 and above on the teacher classification scale are paid at a substantive salary in Schedule 2.

## 8. Classification

- (a) Secondary Curricular Leader: Where secondary curricular leaders are to be appointed, they are to be classified at one of six (6) levels depending on the number of hours occupied on the weekly timetable by classes for that subject/ KLA/faculty and the minimum PAR points afforded each is set out in the following table\*<sup>^</sup>.

Level	No. of Hours / Week On	Total PAR Points	Release Time	Allowance Points
CL1	100+	12	6	6
CL2	80-99	10	5	5
CL3	60-79	8	4	4
CL4	40-59	6	3	3
CL5	20-39	4	2	2
CL6	<20	2	1	1

N.b. CL – Curricular Leader

\* Actual salary rates for the current year are set out in Schedule 2 of the Agreement

<sup>^</sup>A secondary curricular leader who is appointed to a position where the subject(s) / key learning area occupies 120 hours or more on the weekly timetable, or where there is unusual complexity in the role shall be entitled to negotiate additional points of release time to assist in the administration of the role, provided that in the case of a subject(s)/ key learning area which occupies 120 hours or more on the weekly timetable, the curricular leader will be entitled to the issue of one (1) additional release time point as a minimum.

- (b) Secondary Pastoral Leader: Where secondary pastoral leaders are to be appointed, they are to be classified at one of six (6) levels depending on the equivalent number of students for which each leader takes direct responsibility and oversight. The minimum PAR points afforded each level are set out in the table below\*.

Level	No. of Students	Total PAR Points	Release Time Points	Allowance Points
PL1	>180	11	7	4
PL2	151-180	9	6	3
PL3	121-150	7	5	2
PL4	91-120	5	3	2
PL5	61-90	3	2	1
PL6	≤60	2	1	1

N.b. PL – Pastoral Leader

\*Actual salary rates for the current year are set out in Schedule 2 of the Agreement

- (i) Where two (2) or more secondary pastoral leaders share responsibility for the one group of students each PAR, for classification sake, shall be deemed to be responsible for an equal share of the group.
- (c) Other: Additional PAR positions may be required in order to cater for school strategic planning, increasing government compliance etc. These may be permanent or temporary appointments. Examples may include VET Coordination, Sportsmaster, SETP/Careers Coordination, ICT Coordination, Key Teacher, Primary Curriculum Coordination, Primary or Middle School Pastoral Coordination and Values Education Coordination. As these initiatives do not normally sit as classes on a timetable and therefore are unable to be classified as Curricular PARs, the Principal has the right to create, name and allocate release time and allowance points after taking into consideration aspects such as:
  - (i) The number of students involved.
  - (ii) The number of year levels involved.
  - (iii) The number of teachers involved.
  - (iv) The approximate number of hours required per week to fulfil the role.
- (d) Careers Advisers: A Principal shall allocate such release time and/or allowance points considered appropriate for a teacher undertaking careers advising as part of their duties and responsibilities after taking into consideration aspects such as those outlined in sub-clauses 8(c)(i) to 8(c)(iv) above and also as follows:
  - (i) the number of weeks of the year the employee is required to work;
  - (ii) whether attendance at meetings/ interviews before or after school are required,

provided always that a teacher who undertakes careers advising as part of their duties and responsibilities shall, as a minimum, be appointed as a CL6 (according to the proportion of FTE the teacher undertakes careers advising duties and responsibilities).
- (e) As curricular and pastoral leadership roles at the primary and middle-school levels may be significantly different in scope and size to those in the secondary sphere, they should be classified under the "Other" category detailed in clause 8(c). However, for the purpose of achieving equity, where these roles become similar in size to their secondary counterparts, the respective classification tables in clauses 8(a) and 8(b) should be used to determine minimum allowance and release time.
- (f) Middle School: As Middle Schooling traditionally spans the Primary/Secondary divide, schools with designated Middle Schools should tailor the organization of their PARs to suit their individual philosophy and structure.
- (g) Where the employee requests, and the request is agreed to by the Principal, a variation to the release time/allowance split set out in clauses 8(a) and 8(b) may occur and shall be confirmed in writing and reviewed annually. Such an arrangement shall be reflected in the School Profile.
- (h) Changes to PAR classification levels for both secondary pastoral and curriculum leaders necessitated by a rise or drop in either enrolments or hours/week on the timetable can only occur at the start of a school year unless otherwise agreed to by employer and employee, and these changes will be confirmed in writing.
- (i) Where PAR's are asked to perform additional duties outside the scope of their role description additional release time and/or payment will be negotiated prior to the PAR undertaking the additional duties. This release time may take the form of a single block or weekly release over a defined period.

## 9. Selection and Appointment Procedures

- (a) **Selection Procedure**

- (i) The Principal shall have the responsibility for the appointment of teachers to Positions of Added Responsibility.
  - (ii) Where they currently do not exist, clear role descriptions should be developed along with key selection criteria as part of the selection and appointment process.
  - (iii) The suitability of an applicant for a position will be based on the requirements of this role description and success in meeting the key selection criteria.
  - (iv) Where it is the school's intention to make an internal appointment to fill a vacant PAR, the Principal should call for expressions of interest from staff members as part of the appointment process.
- (b) **Letter of Appointment**
- (i) A teacher appointed to a Position of Added Responsibility under this Schedule shall be provided with a letter of appointment that outlines the current:
    - (A) Classification of the role (if pastoral or curricular), and
    - (B) Distribution of Allowance or Substantive Salary and Release Time points for the role.
- (c) **Tenure**
- (i) PAR appointments other than those covered by clauses 2 and 9(c)(iii) are for an initial period of between three (3) to five (5) years unless the position becomes redundant. A further appointment of between three (3) to five (5) years will be made subject to a continued designation of the position and a satisfactory performance review towards the conclusion of the first period of appointment.
  - (ii) After the completion of an appointment period of between six (6) to ten (10) years, the Principal may at his/her discretion advertise the position. Subject to a successful application the incumbent shall be appointed in accordance with clause 9(c)(i) above.
  - (iii) A temporary PAR may be created in response to an emergent need within the school. In cases such as this, the appointment period may be for less than the three (3) years designated in clause 9(c)(i). Where the position continues to be required at the end of the initial appointment period, the incumbent will be offered a new contract subject to a satisfactory performance review without the need to reapply.
  - (iv) Identifiable situations that may require a PAR appointment to be less than three (3) years include:
    - (A) A special project
    - (B) Special Government Grant/s
    - (C) Anticipated cessation of the PAR's corresponding department or section of the school.
- (d) **Appointment of Acting Positions**
- (i) The need for an acting Position of Added Responsibility may arise in situations where the incumbent is on leave or an interim vacancy exists. These appointments are for a fixed term of four (4) or more weeks and shall be confirmed in writing.
  - (ii) Where the appointment is made across a vacation period or where an acting appointee is required to perform PAR responsibilities over a vacation period, the appointee will be paid at the acting rate for the vacation period.
  - (iii) Where appropriate the Principal may call for expressions of interest from current employees regarding the acting position.

## 10. Termination of Employment

- (a) Where a decision is made by the employer not to renew an employee's PAR appointment (for reasons other than unsatisfactory performance) the employer shall give a minimum of three (3) months' notice to the employee holding the PAR.
- (b) A person whose position is terminated in accordance with this clause shall continue to be employed as a teacher under the terms and conditions of this Agreement.
- (c) Where a decision is made by a PAR employee to resign from their PAR appointment the employee shall give a minimum of three (3) months' notice. This period of notice may be reduced by agreement between the employer and employee. The employer shall take into consideration the personal circumstances of an employee in giving consideration to an application to shorten the notice.
- (d) Where a PAR employee wishes to relinquish a PAR position but remain on the teaching staff of the school the employer shall, in the first instance, advertise the position internally.
- (e) Notwithstanding clause 10(c) there may be circumstances where a school has insufficient qualified or experienced staff to make an internal appointment.
- (f) In the event of unsatisfactory performance of a PAR employee, nothing contained in 10 of this Schedule prevents an employer from conducting a formal review for unsatisfactory performance and following the process set out in Annexure A of this Agreement.
- (g) This clause shall not apply to any employee dismissed for incompetence, misconduct or neglect of duty.

# Schedule 5 – Highly Accomplished And Lead Teacher

## 1. Implementation

The terms of this Schedule shall apply from the date of approval of the Agreement.

## 2. Eligibility

- (a) A teacher with full registration through QCT who has successfully completed certification for Highly Accomplished Teacher (**HAT**) or Lead Teacher status through a nationally recognised certifying authority will be eligible to receive HAT or Lead Teacher recognition under this Agreement (**Eligible Teacher**).

## 3. Remuneration

- (a) An Eligible Teacher will receive the applicable HAT or Lead Teacher salary contained in Schedule 2 of this Agreement for as long as their certification remains current and the Eligible Teacher has more than five (5) years' full-time teaching experience.
- (b) If the teacher's certification lapses or is revoked, the salary will revert to the relevant salary applicable to the teacher's level of experience under this Agreement.

## 4. Roles and Duties of Highly Accomplished and Lead Teachers

The role and duties of a teacher who obtains HAT or Lead Teacher certification will be identified and confirmed by consultation between the Principal and teacher provided they are consistent with the Australian Institute for Teaching and School Leadership standards (as amended or replaced from time to time).

## 5. Additional Duties

- (a) Any additional duties required by the School will be negotiated with the teacher and are subject to the appropriate discounting of normal duties and the teacher's capacity consistent with the parameters of Schedule 6 and Schedule 7.
- (b) Any additional duties will be distinct from PAR positions.

## 6. Positions of Added Responsibility and HAT/Lead Teachers

- (a) Recognising that HALT is a distinct classroom-based career pathway a teacher will not be able to access both a PAR allowance and a HAT/Lead Teacher salary.
- (b) Teachers occupying positions of PAR who are also accredited as HAT or Lead Teacher will be paid the remuneration at the higher of the PAR or HAT/Lead Teacher role, but not both.

## 7. Currency

- (a) Teachers are responsible for providing original or certified copies of their documentation confirming their credentials to their school.
- (b) Teachers must maintain the currency of their certification for the classification and payment to be continued. Where renewal is not confirmed, or if the certification is otherwise revoked by

# Schedule 6 – Schools and Colleges Working Arrangements for Teachers

## 1. Introduction

The shared intention of the Lutheran schools, and of the employees in those schools, is to provide caring quality Christian education, affordable fees for those who attend Lutheran schools, and due reward and consideration for the employees in those schools.

This document is intended to provide principles of good practice and limits within which schools may work.

## 2. The Nature of Teachers' Work

Programmed work is defined as those activities a teacher is required to undertake by a school. In addition to programmed work at school, it is acknowledged that teachers spend considerable amounts of time preparing for that work or in other professional tasks at school, in the community, or at home.

The nature of teachers' work, both programmed work and work undertaken in addition to programmed work, includes the following activities:

- teaching
- planning work
- organising work
- writing programs
- writing units, student handouts etc.
- writing policy and procedures
- setting assessment instruments
- marking papers, essays or other assessments
- preparing lessons
- seeking out resources
- classroom management
- report writing
- reading journals, viewing media, researching excursion opportunities
- preparing speeches, chapel services, devotions etc.
- attending educational meetings (e.g. panels)
- attending Council committees (e.g. Strategic Planning)
- attending P & F meetings
- attending or leading educational conferences and workshops
- moderating performance of students (checking student work for comparability)

- discussing philosophy, strategies etc. with other teachers
- recording, filing, storing materials
- conducting extracurricular programs in sport, recreational or cultural activities
- keeping up with the curriculum, change and various initiatives

It is important to note that this list is not exhaustive.

### 3. Principles of Good Practice

Lutheran schools in Queensland will practise the following principles in the interest of fair and effective administration of their workplaces.

#### 3.1 Teachers and Voluntary Service

Lutheran schools provide a range of learning experiences in addition to those offered in the curriculum. Within Lutheran schools, teachers support these programs by providing voluntary leadership or assistance. Such service shall be both voluntary (i.e. offered by the teacher) and honorary (i.e. without remuneration). Recognising the voluntary nature of this contribution principals will respect the right of teachers to choose, as far as is practical, where and when this contribution is made.

#### 3.2 Professional Development

- (a) Schools support and encourage teachers to enhance their professional development. This shall be linked to the relevant appraisal system, the goals of the school, the personal goals of teachers as related to their work, and the appropriateness to the teacher's position.
- (b) It shall be the school's responsibility for provision of a core of professional development, including release time and course fees within that school's budget. However, courses required for Registration by the State, or Approval/Accreditation by the Lutheran Church are considered to be pre-service requisites and not professional development for the purposes of this clause.

### 4. Operating Parameters: Hours of Programmed Work

#### 4.1 The School Year

Schools may require teachers to be present for professional duties for up to the equivalent of 41 calendar weeks (Public holidays which fall within this time will be observed). Professional development and other student free activities will be included in this period, but details of timing will be negotiated at the school level.

It is not the intention to increase the quantum of calendar weeks given to professional duties as currently operating in particular schools. If a variation to the existing schedule is sought, it shall be negotiated with employees at the school level.

#### 4.2 The School Week: Secondary

Total programmed work shall be up to 31 hours made up of:

- (a) Programmed Subject Area Teaching (including programmed pastoral care classes where there is demonstrable preparation and identifiable follow up required) – 20 hours maximum.
- (b) Programmed Preparation and Correction Time:
  - (i) An amount equal to a minimum of 20 per cent of actual programmed subject area teaching time shall be allocated to preparation and correction time as part of the total programmed work.

- (ii) The primary and main function of such preparation and correction time identified in clause 4.2(b)(i) above shall be to undertake necessary preparation and correction to effectively carry out the role as a teacher.
  - (iii) Such time shall be taken in blocks that facilitate effective and productive preparation and correction. It is recommended that preparation and correction time identified in clause 4.2(b)(i) above in secondary schools be provided in minimum lesson length blocks of useable time.
  - (iv) This provision shall include teachers who hold positions of added responsibility.
  - (v) Part-time teachers shall receive pro-rata provision of preparation and correction time.
  - (vi) For the avoidance of doubt, programmed pastoral care classes do not attract a preparation and correction time allocation unless there is demonstrable preparation and identifiable follow up required.
  - (vii) Where an employee is required to undertake other duties as a result of unplanned timetable changes or scheduled events during preparation and correction time such that a teacher's minimum entitlement of preparation and correction time is not provided over the course of one (1) term, timely consultation will occur at the school level to ensure the provision of the minimum entitlement is made available to the teacher at a time during the term in which the unplanned timetable changes or scheduled school event occurred, unless an alternative time is otherwise agreed between the employee and the school.
- (c) Other School Work – informal pastoral care, marking of roll, sport, supervision, grounds duty, meetings, communication with parents (telephone, email or ad hoc meetings), chapel, 50 minutes per week paid morning tea breaks etc. The time is 7 hours for a teacher on full subject teaching load.
- (d) Operating Parameters:
- (i) Programmed work may be aggregated and averaged in a cyclic timetable which is structured over more than five days. Aggregation and averaging shall not extend beyond the length of the defined cycle except for unused programmed teaching time which can be accrued over the school year and used consistent with clause 4.2(d)(ii).
  - (ii) A maximum of one accrued lesson can be used by the school in any given week.
  - (iii) Where a school principal intends to utilise clause 4.2(d)(ii), they will support effective use of preparation and correction time, including teacher collaboration, by providing affected teachers at the start of each new timetable with a priority ranking of their potential available lessons for use by the school. This priority ranking will use the scale:
    - (A) highly likely to be used by the school on a regular basis for supervision duty;
    - (B) possible use for supervision duty depending on operational demands;
    - (C) used for supervisions only in emergency and therefore regularly available for teacher planning and preparation.
  - (iv) Where the nature of a teacher's duties require aggregation beyond the length of the school's defined timetable cycle apart from circumstances consistent with clauses 4.2(d)(i) and 4.2(d)(ii), the principal shall negotiate, with the teacher, an averaging period and aggregation which is consistent with the provisions of clause 4.2.

### 4.3 The School Week: Primary/ Prep

Total programmed work shall be up to 31 hours made up of:

- (a) Programmed teaching 24 hours maximum out of the scheduled program for students, with a change to maximum teaching hours to 23.5 hours from 1 January 2022.
- (b) Programmed Non-Contact Time:
  - (i) The Parties agree that release time for primary teachers shall be a minimum of two (2) hours per week, with a change to minimum release time hours to 2.5 hours from 1 January 2022.

- (ii) The primary and main function of such preparation and correction time identified in clause 4.3(b)(i) above shall be to undertake necessary preparation and correction to effectively carry out the role as teacher.
- (c) Where release time is already timetabled in excess of the above, such release time shall not be reduced below a minimum of two (2) hours per week, with a change to minimum release time hours to 2.5 hours from 1 January 2022.
  - (i) Such time shall be taken in blocks that facilitate effective and productive preparation and correction. It is recommended that preparation and correction time identified in 4.3(b)(i) above in primary schools be provided in minimum 30 minute blocks of useable time.
  - (ii) Where difficulties arise at school due to employee student ratios, then local site variations to the above time line may be permitted by negotiation between parties to this Agreement.
- (d) Other School Work – employee devotions, supervision, grounds duty, meetings, communication with parents (telephone, email or ad hoc meetings), 50 minutes per week paid morning tea breaks etc. shall be up to 5 hours for a teacher undertaking 24 hours of programmed teaching.
- (e) Operating Parameters:
  - (i) Programmed work may be aggregated and averaged in a cyclic timetable which is structured over more than five days. Aggregation and averaging shall not extend beyond the length of the defined cycle except for unused programmed teaching time which can be accrued over the school year and used consistent with clause 4.3(e)(ii).
  - (ii) A maximum of one accrued lesson can be used by the school in any given week.
  - (iii) Where a school principal intends to utilise clause 4.3(e)(ii), they will support effective use of preparation and correction time, including teacher collaboration, by providing affected teachers at the start of each new timetable with a priority ranking of their potential available lessons for use by the school. This priority ranking will use the scale:
    - (A) highly likely to be used by the school on a regular basis for supervision duty;
    - (B) possible use for supervision duty depending on operational demands;
    - (C) used for supervisions only in emergency and therefore regularly available for teacher planning and preparation.
  - (iv) Where the nature of a teacher's duties require aggregation beyond the length of the school's defined timetable cycle apart from circumstances consistent with clauses 4.3(e)(i) and 4.3(e)(ii) the principal shall negotiate, with the teacher, an averaging period and aggregation which is consistent with the provisions of clause 4.3.

#### **4.4 The School Week: Secondary/Primary**

Where teachers work in schools other than stand-alone primary or secondary (e.g. P-12, middle schools), programmed teaching, programmed non-contact time and other work will be calculated on a pro-rata basis.

#### **4.5 Meal Breaks**

# Schedule 7 – Schools and Colleges Working Arrangements for Teachers: St Peters Lutheran College Site Variation

## 1. Introduction

The shared intention of the Lutheran schools, and the employees in the schools, is to provide caring, quality Christian education, affordable fees for those who attend Lutheran schools, and due reward and consideration for the employees in those schools.

This document is intended to provide principles of good practice and limits within which schools may work.

## 2. The Nature of Teachers' Work

Programmed work is defined as those activities a teacher is required to undertake by a school.

In addition to programmed work at school, it is acknowledged that teachers spend considerable amounts of time preparing for that work or in other professional tasks at school, in the community, or at home.

The nature of teachers' work, both programmed work and work undertaken in addition to programmed work, includes the following activities:

- teaching
- planning work
- organising work
- writing programs
- writing units, student handouts etc.
- writing policy and procedures
- setting assessment instruments
- marking papers, essays or other assessments
- preparing lessons
- seeking out resources
- classroom management
- report writing
- reading journals, viewing media, researching excursion opportunities
- preparing speeches, chapel services, devotions etc.
- attending educational meetings (e.g. panels)
- attending Council committees (e.g. Strategic Planning)
- attending P & F meetings

- attending or leading educational conferences and workshops
- moderating performance of students (checking student work for comparability)
- discussing philosophy, strategies etc. with other teachers
- recording, filing, storing materials
- conducting extracurricular programs in sport, recreational or cultural activities
- keeping up with the curriculum, change and various initiatives.

It is important to note that this list is not exhaustive.

### 3. Principles of Good Practice

Lutheran schools in Queensland will practise the following principles in the interest of fair and effective administration of their workplaces:

#### 3.1 Consultation

When allocating duties and apportioning workloads to employees, principals will ensure consultation with teachers in an effort to arrive at a situation of optimum satisfaction to all parties. While principals will have final say in the matter, they will seek to meet the professional requests of teachers.

#### 3.2 Teachers and Voluntary Service

Lutheran schools provide a range of learning experiences in addition to those offered in the curriculum. Within Lutheran schools, teachers support these programs by providing voluntary leadership or assistance. Such service shall be both voluntary (i.e. offered by the teacher) and honorary (i.e. without remuneration). Recognising the voluntary nature of this contribution, principals will respect the right of teachers to choose, as far as is practicable, where and when this contribution is made.

#### 3.3 Equity

When deciding workloads, principals will strive to arrive at equitable amounts of work for each teacher. Consideration will be given to such issues as class sizes, marking loads, preparation needs in various subject areas and year levels, maintenance of equipment, etc.

#### 3.4 Compensation for Extra Responsibilities

When allocating workloads, principals will take into consideration the total commitment of each person to the life of the school. Where teachers are required by the principal to accept extra responsibility in the school a form of compensation will be negotiated prior to the commencement of the activity.

#### 3.5 Professional Development

- (a) Schools support and encourage teachers to enhance their professional development. This shall be linked to the relevant appraisal system, the goals of the school, the personal goals of teachers as related to their work, and the appropriateness to the teacher's position.
- (b) It shall be the school's responsibility for provision of a core of professional development, including release time and course fees within that school's budget. However, courses required for Registration by the State, or Approval/Accreditation by the Lutheran Church are considered to be pre- service requisites and not professional development for the purposes of this clause.

## 4. Operating parameters: Hours of Programmed Work

### 4.1 The School Year

Schools may require teachers to be present for professional duties for up to the equivalent of 41 calendar weeks. This shall be for 40 calendar weeks in the case of St Peters Lutheran College (Public Holidays which fall within this time will be observed). Professional development and other student free activities will be included in this period, but details of timing will be negotiated at the school level.

It is not the intention to increase the quantum of calendar weeks given to professional duties as currently operating in particular schools. If a variation to the existing schedule is sought, it shall be negotiated with employees at the school level.

### 4.2 The School Week: Secondary

Total programmed work shall be up to 30 hours made up of:

- (a) Programmed Subject Area Teaching (including programmed pastoral care classes where there is demonstrable preparation and identifiable follow up required) – 20 hours maximum.
- (b) Programmed Preparation and Correction Time:
  - (i) an amount equal to a minimum of 20 per cent of actual programmed subject area teaching time shall be allocated to preparation and correction time as part of the total programmed work;
  - (ii) The primary and main function of such preparation and correction time identified in 4.2(b)(i) above shall be to undertake necessary preparation and correction to effectively carry out the role as a teacher. Such time shall be taken in blocks that facilitate effective and productive preparation and correction. It is recommended that preparation and correction time identified in 4.2(b)(i) above in secondary schools be provided in minimum lesson length blocks of useable time.
  - (iii) This provision shall include teachers who hold positions of added responsibility.
  - (iv) Part-time teachers shall receive pro-rata provision of preparation and correction time.
  - (v) For the avoidance of doubt, programmed pastoral care classes do not attract a preparation and correction time allocation unless there is demonstrable preparation and identifiable follow up required.
  - (vi) Where an employee is required to undertake other duties as a result of unplanned timetable changes or scheduled events during preparation and correction time such that a teacher's minimum entitlement of preparation and correction time is not provided over the course of one (1) term, timely consultation will occur at the school level to ensure the provision of the minimum entitlement is made available to the teacher at a time during the term in which the unplanned timetable changes or scheduled school event occurred, unless an alternative time is otherwise agreed between the employee and the school.
- (c) Other School Work – informal pastoral care, marking of roll, sport, supervision, grounds duty, meetings, chapel, communication with parents (telephone, email or ad hoc meetings), 50 minutes per week paid morning tea breaks etc. The time is 6 hours for a teacher on full subject teaching load.
- (d) Operating Parameters:
  - (i) Programmed work may be aggregated and averaged in a cyclic timetable which is structured over more than five days. Aggregation and averaging shall not extend beyond the length of the defined cycle except for unused programmed teaching time which can be accrued over the school year and used consistent with clause 4.2(d)(ii).
  - (ii) A maximum of one accrued lesson can be used by the school in any given week.
  - (iii) Where the principal intends to utilise clause 4.2(d)(ii), they will support effective use of preparation and correction time, including teacher collaboration, by providing affected teachers at the start of each new timetable with a priority ranking of their potential available lessons for use by the school. This priority ranking will use the scale:

- (A) highly likely to be used by the school on a regular basis for supervision duty;
  - (B) possible use for supervision duty depending on operational demands;
  - (C) used for supervisions only in emergency and therefore regularly available for teacher planning and preparation.
- (iv) Where the nature of a teacher's duties require aggregation beyond the length of the school's defined timetable cycle apart from circumstances consistent with 4.2(d)(i) and 4.2(d)(ii), the principal shall negotiate, with the teacher, an averaging period and aggregation which is consistent with the provisions of clause 4.

### 4.3 The School Week: Primary/Prep

Total programmed work shall be up to 30 hours made up of:

- (a) Programmed Teaching – 24 hours maximum out of the scheduled program for students. With a change to maximum teaching hours to 23.5 hours from 1 January 2022.

  - (ii) Where difficulties arise at school due to employee student ratios, then local site variations to the above time line may be permitted by negotiation between parties to this Agreement.
- (d) Other School Work – employee devotions, supervision, grounds duty, meetings, communication with parents (telephone, email or ad hoc meetings), 50 minutes per week paid morning tea breaks etc. shall be up to 4 hours for a teacher with 24 hours of programmed teaching.
- (e) Operating Parameters:
  - (i) Programmed work may be aggregated and averaged in a cyclic timetable which is structured over more than five days. Aggregation and averaging shall not extend beyond the length of the defined cycle except for unused programmed teaching time which can be accrued over the school year and used consistent with clause 4.3(e)(ii).
  - (ii) A maximum of one accrued lesson can be used by the school in any given week.
  - (iii) Where the principal intends to utilise clause 4.3(e)(ii), they will support effective use of preparation and correction time, including teacher collaboration, by providing affected teachers at the start of each new timetable with a priority ranking of their potential available lessons for use by the school. This priority ranking will use the scale:
    - (A) highly likely to be used by the school on a regular basis for supervision duty;
    - (B) possible use for supervision duty depending on operational demands;
    - (C) used for supervisions only in emergency and therefore regularly available for teacher planning and preparation.
  - (iv) Where the nature of a teacher's duties require aggregation beyond the length of the school's defined timetable cycle apart from circumstances consistent with clauses 4.3(e)(i) and 4.3(e)(ii), the principal shall negotiate with the teacher, an averaging period and aggregation which is consistent with the provisions of clause 4.3.

# Annexure A – Formal Review for Unsatisfactory Performance

## 1. Preamble

- (a) A formal review for unsatisfactory performance serves two purposes. Most importantly, it provides a further process for genuinely helping the employee improve their conduct, capacity or performance to a satisfactory level and it ensures that legal requirements relating to due process and documentation are complied with.
- (b) When an employee's conduct, capacity or performance is unsatisfactory or deficient, the following steps should be undertaken by the employer.
- (c) This formal review will take place after departmental review/in-house evaluation and where appropriate, the provision of professional development to address any perceived unsatisfactory performance.
- (d) This Annexure A (Formal Review for Unsatisfactory Performance) does not apply to probationary employees.

## 2. Investigation

- (a) A proper investigation of the circumstances should be carried out. It is insufficient merely to rely on the fact that allegations have been made.
- (b) An investigation may include the following:
  - (i) assessing any relevant documentation, including a personnel file;
  - (ii) interviewing persons who may have (or should have) knowledge of the employee's performance;
  - (iii) assessing statistical information if that is an appropriate method of assessing performance in the particular case.
- (c) Whichever method is used, the investigation must be carried out promptly.
- (d) Investigations that prove groundless should be noted in the employee's file, and the employee should be notified accordingly.

## 3. Interview

- (a) If, after an appropriate investigation has been carried out, the employer is satisfied that there is substance to the allegation of unsatisfactory performance and wishes to investigate it further, an interview should be arranged with the employee concerned as soon as practicable. Copies of the documentation relevant to the allegation will be provided to the employee at the time of notification of the interview.
- (b) The employee should be notified of the interview which should be confirmed in writing. The notification should include:
  - (i) the time and place of the interview;
  - (ii) the general nature of the matters to be discussed;
  - (iii) the employee's right to have a person of their choice (including a Union representative) present.
- (c) In arranging an interview, it is the employer's responsibility to cater for any of the employee's "special circumstances". This may include assessment of language skills (need for an interpreter), health and family issues.
- (d) At the interview:

- (i) the employer should have his/her own witness present;
- (ii) notes of the meeting should be taken;
- (iii) details of the deficient or unsatisfactory performance should be provided to the employee. This should be in sufficient detail to enable the employee to respond and address the issues raised adequately;
- (iv) the employee should be given the opportunity to respond to the allegations and to raise any other matters which the employee considers to be relevant. If the employee wants time to consider the matters raised, it should be allowed, but it should be limited to the shortest reasonable time.
- (v) the employer and employee should negotiate a time by which standards are to be achieved.

#### 4. Outcome of Interview

- (a) If, having regard to all matters raised at the interview and to the employee's response, the employer considers that no action is required, the employee should be advised in writing accordingly.
- (b) Should action be deemed necessary, the employee will be advised in person with written confirmation, including:
  - (i) that the employer has considered all matters raised at the interview, including the employee's response;
  - (ii) that the employer believes that the employee's performance is deficient;
  - (iii) details of the deficiencies;
  - (iv) the standards which need to be met and the agreed time within which that must be achieved;
  - (v) a review date in respect of the employee's performance against those standards. (The employer may wish to confirm that the employee will be subject to ongoing review, if that is to be the case, but that further discussion will need to take place on the first review date);
  - (vi) the potential consequences of failing to achieve the standards within the time frame, including the ultimate possibility of termination of employment;
  - (vii) the name of a nominated contact within the organisation (e.g. the employee's supervisor or a negotiated mentor) with whom the employee can discuss any matters which are unclear or from whom any assistance may be gained;
  - (viii) details of counselling and/or professional development (where applicable) available to the employee;
  - (ix) that the employee was given an opportunity to be represented at the meeting; and
  - (x) that the employee was given an opportunity to respond to the matters raised at the meeting.

#### 5. Review

- (a) The review should occur whether or not the employee's performance has improved.
- (b) If the employee's performance has improved, the employee should be informed of this in writing. However, the need to continue to improve to reach and maintain the agreed standards should be reinforced and confirmed in writing.
- (c) If the employee's performance has not sufficiently improved, the investigation, interview and review process should be repeated.
- (d) If the second review finds the employee's performance is still unacceptable the employer may choose to:

- (i) continue with disciplinary action/counselling in accordance with the four stage process outlined above; or
- (ii) find an alternative arrangement in the organisation (e.g. change of duties or position location) if in all the circumstances, dismissal is the only other option; or
- (iii) dismiss the employee if in all the circumstances termination would not be harsh, unjust or unreasonable and where 5(d)(i) and 5(d)(ii) are not justifiable alternatives. The employer should notify the employee in the following manner of their dismissal:
  - (A) The employee should be informed by the employer of the reason for their dismissal and the employee should be allowed to respond to the allegations.
  - (B) The employer should provide the employee with written notice in accordance with the relevant state and commonwealth statutory requirements. The minimum period of notice depends on the employee's length of service and their age. Payment may be made in lieu of notice.
  - (C) The employer should ensure the process of formal review of unsatisfactory performance has been followed and that each stage has been fully documented.

# Annexure B – Serious Misconduct and Summary Dismissal

## 1. Serious Misconduct

- (a) Occasionally an employee may be challenged for behaviours which constitute serious misconduct and, as a consequence, may result in the employer seeking to terminate the employee's services.
- (b) In cases of serious misconduct, an employee may be dismissed provided:
  - (i) The incident/s or behaviour have been thoroughly investigated
  - (ii) The employee has been allowed to respond to the allegations in a meeting, and
  - (iii) The employer considers all information received and conveys the decision in person and in writing.
- (c) Deficiencies relating to conduct, capacity or performance are dealt with under Annexure A of this Agreement.

## 2. Termination for Misconduct

If the misconduct is so serious that dismissal is the most appropriate action, certain steps need to be followed to ensure that the dismissal conforms with guidelines and requirements set down by law and follows procedures which guarantee procedural fairness and natural justice.

### 2.1 Procedure

If there is some initial evidence that an employee may have a case to answer in respect of the alleged serious misconduct, the following steps need to be taken:

- (a) Ensure that the facts have been adequately investigated to make sure that there is no other explanation for what has happened. For example, if bank documents appear to show that money is missing, it should be firstly confirmed with the bank that the documents are accurate.
- (b) At an initial meeting, alert the employee to the concerns, specifying particular instances. If appropriate, the results of any investigations that have been made should be provided to the employee in writing.
- (c) At the time of arranging a second meeting with the employee, notify him/her that they may have a third party present at the meeting as an advisor of their choice. When determining the timing of the meeting the availability of the advisor must be taken into account. The status of this advisor is that of participant in the meeting.
- (d) At the meeting, the following steps should be addressed:
  - (i) The employee is requested to respond to these concerns or allegations. The employee has the right to note the allegations and respond within a reasonable time either verbally or in writing.
  - (ii) The employer must consider and investigate any alternate explanations for the alleged severe misconduct. It may be necessary to convene another meeting(s) to fully consider all the evidence.
  - (iii) If the employer believes the response is inadequate, explain to the employee why it is inadequate and give the employee the opportunity to amend their response once the nature of the inadequacy is understood.
  - (iv) If the employee admits the allegations but indicates that there are some mitigating circumstances, these should be taken into consideration when determining how the situation will be dealt with.
- (e) The discussions which take place should be documented accurately and after due consideration, both parties should be requested to sign a copy attesting to the accuracy of the written minutes. If

it is established that there is no satisfactory explanation for what has happened and the alleged severe misconduct is clearly proven, the employee may be liable for dismissal. There needs to be sufficient evidence that the conduct is serious enough to justify dismissal in itself. Suitable time should be taken after the meeting to reflect upon the employee's response before a decision is made whether the employee is to be dismissed.

- (f) Should dismissal be deemed necessary, the employee will be advised in person and with written confirmation including:
  - (i) that the employer has considered all evidence and matters raised at the meeting, including the employee's response;
  - (ii) that the employer believes that the employee's behaviour is of such magnitude as to be serious misconduct
  - (iii) the reasons why the employee's behaviour has led to the decision of dismissal.
  - (iv) the employer should provide the employee with written notice in accordance with the relevant statutory requirements. Payment may be made in lieu of notice.

The employer should ensure that due process has been carried out throughout all stages and thorough documentation made.

- (g) During the investigation process, the employer may choose to suspend the employee on full pay if it is deemed to be appropriate.
- (h) If, having regard to all matters investigated and the employer determines that no action is required, the employee should be advised in writing accordingly. In situations where the employer determines that while the employee's behaviour was serious it did not warrant dismissal, and may therefore choose to serve the employee with a written warning.

### 3. Summary Dismissal

- (a) Summary Dismissal is a very serious and decisive action and is therefore only warranted in a situation where the employee's conduct or capacity is of such a kind that it would be unreasonable or unsafe to require the employer to continue the employment during the period of notice. Therefore, this is a decision of last resort.
- (b) Serious misconduct which may lead to summary dismissal may include:
  - (i) The commission of a crime in the course of employment;
  - (ii) Reporting to work under the influence of illegal drugs or alcohol, especially after pastoral counselling for similar breaches;
  - (iii) Any conduct at the workplace which deliberately endangers the health and safety of the students, co-workers, or the public;
  - (iv) Proven sexual abuse where the allegations fall under Child Protection policies such as "Lutheran Church of Australia Safe Place Policy" and the "National Safe Schools Framework" or State or Federal legislation and the matter is reported to and prosecuted by the Police.

# Annexure C – Complaints Handling Policy and Procedures

## 1. Preamble

## 3. Scope

- (a) The scope of this policy extends to Complaints brought by any member of staff, parent/s, student/s or other member/s of the School/ wider community.
- (b) Queensland Lutheran Schools have specific policies/ procedures in place for:
  - (i) Child Protection;
  - (ii) Unsatisfactory Performance;
  - (iii) Serious Misconduct and Summary Dismissal;
  - (iv) Any mandatory complaints handling processes applicable under federal and/or state funding agreements or funded programs;
  - (v) Accidents/ incidents more appropriately dealt with under the School's Incident Recording and Reporting and Incident Investigations procedures.
- (c) Complaints determined as relating to matters of the above nature should be dealt with under the specific policy/ies and or procedures in place relating to such matters and the Complainant and Respondent shall be advised promptly which policy or policies are being invoked. Subject to

paragraph 9.3(d)(ii), this policy is therefore applicable where Complaints are determined as not having to be dealt with under another policy/procedure.

## 4. Definitions

- (a) **Complaint:** An expression of dissatisfaction by any person, which may include an employee, parent, student or other member of the School or wider community about any act, behaviour, omission, situation or decision that the person considers unfair or unjustified.
- (b) **Complainant:** any person who has a complaint. A complainant may include any member of staff, parent, student or other member of the School or wider community.
- (c) **Complaint Policy:** The policy set out in this document.
- (d) **Complaint Procedure:** The procedures set out in this document.
- (e) **Natural Justice:** Natural Justice involves:
  - (i) Acknowledging and respecting that Complainants are entitled to raise a Complaint/s in good faith;
  - (ii) Complaints handling procedures being accessible, promoted within the School and applied consistently and fairly to all those to whom these procedures apply;

  - (iv) Sufficient particulars of the allegation/s made or relevant information relied upon to support the allegations being provided to enable the Respondent to respond;
  - (v) Both Complainant/ Respondent being given a reasonable time to prepare and submit: the Complaint (Complainant); a response to allegations made (Respondent); or information provided (both Complainant and Respondent);
  - (vi) Genuine consideration must be given to all information (including the Respondent's response) prior to any decision being made.
- (f) **Policy and Procedures Document:** This Complaints Handling Policy and Procedures document.
- (g) **Particulars:** The particulars of an allegation must provide enough detail to enable the Respondent to provide a response. Details such as who, what, when, where and how must be provided to ensure delivery of natural justice. Relevant particulars of the allegation/s or information relied on to support the allegation should be provided to the Respondent in writing.
- (h) **Procedural Fairness:** Procedural fairness is concerned with the procedures used during an investigation and/or by a decision-maker, rather than the actual outcome. It requires a fair and proper procedure to be used when conducting an investigation and/or making a decision. A process that delivers procedural fairness requires a demonstration of transparency, equity in examination of evidence and freedom from bias, perceived or otherwise, in the decision making process.
- (i) **Respondent:** Any person against whom a complaint is brought.
- (j) **School/ Schools:** Means the Schools listed in Schedule 1 of this Agreement.
- (k) **Support Person/Representative:** Both Complainant and Respondent are entitled to avail themselves of a support person or representative of the Complainant's/Respondent's choosing. ## 5. Confidentiality

- (a) Subject to the terms of this paragraph, LEQ are committed to the confidentiality of all Complaints, at all stages throughout the complaints handling process.
- (b) There are many reasons why a Complaint should at all times be handled confidentially. The existence and the nature of a Complaint should not be disclosed to anyone other than those who need to know for the purposes of investigating, dealing with or providing support in respect of the matter or as otherwise required by law. Unnecessary disclosure of information may jeopardise an

investigation, injure the reputations of innocent parties and/or negate any defences against defamation. In some cases, an inappropriate disclosure could also constitute a breach of an applicable law. Schools consider any breach of confidentiality a serious issue worthy of disciplinary action or other appropriate sanction if warranted.

- (c) This reference to confidentiality is not intended to stop a Respondent from approaching potential witnesses for the Respondent in an appropriate manner where the purpose of such an approach and discussion is to inform the Respondent/s response to the allegation/s. The Respondent must inform the Authorised Person of the name/s of any such potential witness/es either prior to or immediately following approach, and confirm to the Authorised Person that the Respondent has explained the obligations of this paragraph to any and all such person/s. The Respondent must not, under any circumstances, approach the Complainant or any person/s known to be actual or, where identified, potential witnesses for the Complainant.
- (d) The identity of the Complainant should not be revealed to any third party without the Complainant's consent, unless it is required to be disclosed by law or is required for the purposes of paragraphs 5(d) or 5(f).
- (e) Any hard or soft copies of material associated with a Complaint should be handled responsibly and securely stored to prevent unauthorised access.
- (f) While confidentiality is important, there may be circumstances in which it is not possible to uphold a person's right to confidentiality. For example, as a matter of procedural fairness, Respondents are entitled to know the nature of the allegation being made and who has made the allegation against them. Further, the Complaint may involve criminal activity, someone's health and safety being at risk, or disclosure may otherwise be required by law. As such, Complainants cannot be guaranteed anonymity with respect to their Complaint.

## 6. Timeframe for Resolution of Complaint

The School will endeavour to resolve all Complaints as quickly as possible. However, an approximate timeframe will be provided to the parties to the Complaint with the caveat that the timeframe for resolution of a Complaint will depend on the complexity, nature and scope of the Complaint.

## 7. Procedure

- (a) The Complaint Procedure consists of a 3 level process. A Complaint/s may be resolved at any stage of this process. Where possible, Complaints should be responded to at the local level and at the lowest level possible.
  - (i) **Levels 1 and 2** outline the *Informal Process*. If at all possible, a concern, issue, problem or conflict is best dealt with directly between the people involved before it escalates to the stage of making a Complaint. Early action at levels 1 and 2 generally provides the best opportunity for positive resolution.
  - (ii) **Level 3** outlines the *Formal Process*. It is anticipated this stage will only be utilised if a resolution cannot be reached using the Informal Process or the circumstances and / or the seriousness of the matter clearly require a formal process to be implemented. During the Formal Process, the outcome of the matter is determined by someone other than the Complainant or Respondent.

## 8. Reporting of Complaints – Roles and Responsibilities

The following key roles and responsibilities should be allocated and publicised in the School so that everyone is very clear about who to contact and the extent and limitations of that person's role. Conflicts of interest must be declared by Authorised Persons designated under this paragraph:

## 9. The Informal Process

### 9.1 Level 1: Affected Parties Meet

- (a) Objects
  - (i) If at all possible and appropriate, to encourage the parties to first seek to resolve issues in a timely manner informally, personally and in a spirit of goodwill and commitment to maintenance of a safe and harmonious environment.
  - (ii) To encourage those involved to approach the situation in an open, inclusive and cooperative manner and to work together to reach a mutually agreed resolution through a problem solving approach.
- (b) The Process
  - (i) It is an expectation in Lutheran schools that, if at all possible and appropriate, understanding the viewpoint of all persons involved in an issue, including that of the person who has made the Complaint, is paramount and therefore deserves the time and energy to work to create an outcome that fosters better relationships within the School and/or wider community.
  - (ii) Face to face resolution involves the person with the Complaint raising the matter directly either verbally or in writing, with the person(s) responsible for the behaviour to let them know the impact their behaviour has had and to see if a misunderstanding has occurred. In most instances, initial informal discussions lead to improved understandings and better working relationships and agreement for changed work practices.
  - (iii) Notes should be kept of any informal discussions as well as any agreed outcome and should be held by the parties.
  - (iv) The following process is recommended for the party initiating resolution:
    - (A) Approach the Respondent to explain their concern using effective communication;
    - (B) Discuss the matter confidentially;
    - (C) State what the problem/s is/ are;
    - (D) Give an example of the behaviour that has caused dissatisfaction;
    - (E) State how it is affecting the party and their work;
    - (F) Describe what is at stake and why the problem needs to resolved;
    - (G) Express personal willingness to contribute to a resolution;
    - (H) Seek the other person's perception of the situation;
    - (I) State what is needed;
    - (J) Be open to new/ alternative solutions and be willing to make the first move towards reconciliation.

### 9.2 Level 2: Third Party to Assist Resolution

- (a) Objects
  - (i) If possible and appropriate, to use a neutral third party to help parties identify the disputed issues, understand the perspective of the other, develop options, consider alternatives and endeavour to reach a mutual agreement the parties are prepared to abide by.
  - (ii) To encourage both parties to consider solutions at an early stage.
- (b) The Process
  - (i) If informal discussions were unsuccessful in resolving the matter or were not possible/ appropriate, the Complainant should approach their Complaints Coordinator to put their concern in writing. Details to be recorded in writing will include, along with the specific allegation/s, the name and contact details of the Complainant, details of the allegation/s (when, where, what and who it involves), dates, and times of the allegation/s, the name/s of any witness/es and desired outcome.
  - (ii) A copy of the written allegations provided to the Authorised Person.

- (iii) The Authorised Person will approach the Respondent and request that they attend a third party facilitated discussion and/ or mediation to resolve the issue. The Authorised Person will show the Respondent the allegation/s and offer the Respondent an appropriate time to review, consider and write down any objections to the allegations, the Respondent's perceptions of the problem and suggestions as to possible solutions. A copy of any written objections will be provided to the Authorised Person.
- (iv) The Authorised Person will then show the Complainant any objections raised by the Respondent and offer the Complainant an appropriate time to review and consider the objections in advance of the third party facilitated discussion.
- (v) As soon as practicable upon 9.2(b)(iii) and 9.2(b)(iv) having occurred, and provided both Complainant and Respondent have indicated their willingness to participate in a third party facilitated discussion, a meeting involving the relevant parties (Complainant, Respondent, third party facilitator or mediator) will be scheduled.
- (vi) The Complainant and/or Respondent may have a support person present during the assisted discussion.
- (vii) The neutral third party to assist the third party facilitated discussion and/or mediation may be (as appropriate):
  - (A) A trained Mediator;
  - (B) The School's Workplace Health & Safety Advisor;
  - (C) Such other neutral person as the Principal may nominate after discussion with both the Complainant and Respondent. The neutral person may be an appropriately trained person external to the School.
- (viii) The role of the neutral third party is to:
  - (A) Provide a forum to allow the parties the opportunity to tell their side of the story openly;
  - (B) Remain impartial;
  - (C) Encourage formulation of solutions;
  - (D) If the matter is not resolved, advise about future process options;
  - (E) Maintain confidentiality at all times.
- (ix) The neutral third party should keep notes of any agreed outcome or, if final agreement is not reached, the areas of agreement and disagreement that exist between the parties as identified and agreed to by the parties. A copy of the agreed notes should be provided to the parties by the neutral third party.
- (x) It should be noted that any agreement reached by the parties during a third party assisted discussion is not directly enforceable against the School (except in the situation where the principal or his/her nominee is agree to be bound by the outcome).

### 9.3 Level 3: The Formal Process

It is anticipated that this stage will only be utilised if a resolution cannot be reached using the Informal Process outlined above, or the seriousness of the matter is not suitable for third party assisted resolution and/or clearly requires a formal process to be implemented. During the Formal Process, the outcome of the matter is determined by someone other than the immediate parties.

- (a) Lodging a Complaint
  - (i) Complainants may formally make a Complaint by recording the Complaint in writing, such written Complaint to include (along with the allegation/s), the name and contact details of the Complainant, details of the allegations (when, where, what and who it involves), dates and times of the allegation/s, the name/s of any witness/es and desired outcome.
  - (ii) The written Complaint may be lodged with the Complaints Coordinator in any of the following ways:
    - (A) Sending a fax marked to the attention of the Complaints Coordinator;
    - (B) Sending the Complaint Form to the Complaints Coordinator by post;

- (C) Handing the Complaint Form to the Complaints Coordinator.
  - (iii) The Complaint Co-ordinator's contact details for the purposes of paragraph 9.3(a)(ii) above will be made readily available to all staff at School site.
  - (iv) Where the Complaint is against the Principal, the Complaint should be made to and lodged with a member of the School's governing body. In such case, the Chair of School Council shall be the Authorised Person for the purposes of this Policy and Procedures Document.
  - (v) Complaints may also be lodged by telephoning the Authorised Person, or by reporting the Complaint to the Authorised Person. When a Complaint is lodged in either of these ways, the Authorised Person will request the Complainant to put his or her Complaint in writing. However, sometimes a Complainant will not wish or be able to do so, and/or he or she may request that no action be taken at all. If this occurs, the School may be legally obliged to take action, despite the Complainant's request depending on the circumstances and/ or the seriousness of the matter. This is because failure to respond to a Complaint, even an unwritten and informal one, could put the School in breach of its legal obligations under anti-discrimination legislation (for example, where the Complaint involves an allegation of sexual harassment), under occupational health and safety legislation (for example, where the Complaint involves an allegation of conduct causing a health or safety risk) or other legislation (refer to paragraph 5(f) above).
  - (vi) Where the School is legally obliged to take action and the Complainant is unwilling or unable to put the Complaint in writing, the Authorised Person will identify particulars of the allegation/s contained in the Complaint and record them in writing on the Complainant's behalf.
  - (vii) Anonymous Complaints are taken seriously, recorded and considered by the School as far as practically possible. However, it is acknowledged that there can be limitations on investigation and resolution of Complaints received anonymously. This is because, as a matter of procedural fairness, Respondents are entitled to know the nature of the allegation being made and who has made the allegation against them.
- (b) Recording the Complaint
    - (i) The person receiving the Complaint will record the information in a confidential Complaints Register stored in a secure, locked location, and ensure that written acknowledgement of receipt of the Complaint is provided to the Complainant.
  - (c) Assessing the Complaint
    - (i) Once sufficient information about the Complaint has been obtained, then the Authorised Person should conduct an initial assessment of the Complaint and an appropriate procedural response.
  - (d) Respond and Resolve
    - (i) Where possible, Complaints should be responded to at the local level and at the lowest level possible.
    - (ii) If, during an investigation, it becomes clear that the Complaint is not a Complaint to which this Policy and Procedures Document applies, or is another Complaint type to which another School policy/ies specifically apply/ies, the investigation should be discontinued and the Complaint referred or otherwise dealt with appropriately.
    - (iii) Not all matters will need to be raised with the Respondent concerned if, after initial investigation the matter proves to be unfounded or vexatious. Where matters have been raised with the Respondent and the initial investigation of the matter proves that the Complaint is unfounded or vexatious, the Authorised Person will inform the Respondent of any actions taken in respect of the Complainant (vexatious Complaint) and allow the Respondent the opportunity to reflect on the Complaint (if tendered in good faith) in case the unfounded Complaint identifies any need to modify practice.
  - (e) Action Required
    - (i) Following assessment of the Complaint, the action required will depend upon the seriousness of the matters alleged. Action required may involve:

- (A) **No Action.** The School may decide to take no action if the issue has been resolved or the situation complained about no longer exists. In deciding to take no action or discontinuing action, the School should consider all of the available facts against the potential outcomes to individuals and the organisation.
  - (B) **Management Action.** In the case of less serious matters and provided there is sufficient information, the School may respond to a Complaint by taking management action such as changing a decision, providing information, correcting a record, effecting a change in policy/ procedure of the School, waiving a penalty, implementing increased supervision or performance management strategies/ processes, giving guidance or counselling, or providing specific training.
  - (C) **Reporting of Criminal Matters to Police.** In some instances, the School has no discretion and the Complaint must be reported to the Police or other relevant outside authorities. Such instances may include (but are not limited to) physical or sexual assault, fraud, indecent exposure, stalking or obscene communications or threatening behaviour.
  - (D) **Investigation.** There will be some cases where a full investigation of the Complaint is the only appropriate response. Where the most serious possible consequence of the Complaint is (by way of example) dismissal (or demotion) (in the case of an employee), exclusion of a student and/or termination of an enrolment contract with the School, the School should take the utmost care to ensure such matters are investigated fairly and thoroughly. During an investigation, the outcome of the matter is determined by someone other than the immediate parties.
- (f) Investigation
- (i) If it is determined that a more detailed investigation of the Complaint is required beyond that identified in clause 9.3(d)(iii), the investigation will be conducted in a fair, objective and timely manner in accordance with the principles of natural justice and procedural fairness.
- (g) Procedural fairness/ natural justice involves:
- (i) The Respondent being informed of allegations made against them. To avoid confusion over the allegation, it is a requirement that the Respondent be informed of the allegations in writing at least 48 hours prior to interview;
  - (ii) Informing both the Complainant and Respondent of the process and their right to have a support person throughout the process, and the possible consequences of the investigation;
  - (iii) Providing a reasonable opportunity to respond – to both Respondent and Complainant, at relevant stages of the investigation;
  - (iv) Avoiding undue delay;
  - (v) All decisions being made impartially/ without bias;
  - (vi) Acting only on the basis of logically presented and verified evidence and on the balance of probability;
  - (vii) Providing at least 48 hours notice in writing to all parties of any interviews or meetings regarding the Complaint;
  - (viii) Considering any special needs of the Complainant and/or Respondent and putting in place appropriate measures to manage same.
- (h) Further, the Complainant and Respondent should be informed of:
- (i) Requirements of confidentiality (refer to paragraph 5 above);
  - (ii) If necessary, what interim measures will be taken to ensure the safety and welfare of the Complainant, Respondent or any other person during the investigation (in serious matters, interim measures may include suspension on full pay of the Respondent).
- (i) The investigator will:
- (i) Gather and analyse information;

- (ii) Formulate findings (whether a Complaint/s is substantiated/ unsubstantiated);
  - (iii) Document their findings and provide a copy of same to the Principal for consideration. However, in the event the Complaint is made against the Principal, the investigator shall provide a copy of their findings to the Chair of School Council for consideration;
  - (iv) The Principal should communicate the findings to the parties in writing. However, in the event the Complaint is made against the Principal, the Chair of School Council shall undertake this task. A copy of the investigator's findings referred to in paragraph 9.3(i)(iii) above will be provided to the Complainant/Respondent upon request.
- (j) Determination
- (i) In the case of a Respondent, if a Complaint is found to be substantiated it may be dealt with under an applicable School policy or contract, appropriate management or disciplinary action or as prescribed under an applicable Annexure to the Queensland Lutheran Schools Single Enterprise Agreement 2020 (as amended or replaced from time to time).
- (k) In the case of a Complainant: Assistance should also be provided for the Complainant, where appropriate, such as (but not limited to):
- (i) Offering professional counselling;
  - (ii) Mentoring and support from a senior manager or other appropriate school community member;
  - (iii) Provision of appropriate training.

## 10. Victimization/ Adverse Action

- (a) No victimisation/ adverse action should be taken against any party because they are exercising their right to make/ respond to/ give evidence in relation to/ assist in administering a complaint.
- (b) *Victimisation* occurs when a person is treated less favourably or is aggrieved in some way because they have chosen to taken certain actions, such as a legal claim against a Respondent. Unfavourable treatment could include (but is not limited to) adverse changes in the work environment, denial of training and/or promotion opportunities, and/or retribution or exclusion by peers.

## 11. Vexatious Complaints

- (a) A good faith Complaint is a Complaint submitted by a Complainant who has honest belief based on reasonable grounds.
- (b) If a Complaint is found to be *vexatious*, that is, without foundation/ reasonable grounds, and is intended to cause unjustifiable damage to the career and reputation of the alleged harasser, to obtain a personal benefit, or to extract revenge in regard to a personal or professional issue, then disciplinary action or other appropriate sanction may result if warranted.

## 12. Review

- (a) The Council for Lutheran Education Queensland (**CLEQ**) will conduct an annual review of the effectiveness of this Policy and Procedures Document.
- (b) CLEQ reserves the right to amend this Policy and Procedures Document at any time provided always that, in the case of an amendment/s proposed by CLEQ to this Policy and Procedures Document relating to Complaints made against staff (other than an amendment/s required under applicable legislation), employee endorsement of a variation of this Queensland Lutheran Schools Single Enterprise Agreement 2020 (as amended from time to time) to reflect such proposed change/s must also be obtained.
